MEMORANDUM FOR ALL THULE AB PERSONNEL

FROM: 821 ABG/CC

SUBJECT: Thule AB Installation Commander HPCON Alpha Declaration

1. As the Thule AB Installation Commander and per my authorities in AFI 10-2915, I have declared Health Protection Condition (HPCON) Alpha for the Thule Defense Area until further notice.

HPCON Alpha Definition: Limited Disease Threat. There is a limited threat to personnel based on the existence of a disease or unusual human health threat that has the potential to rapidly move into the local area

HPCON Alpha Measures: Limited: Health Alert, communicate risk and symptoms, review plans, verify preparation: training, stocks, posture, prepare to diagnose, isolate, and report new cases

2. All units and organizations on Thule AB are directed to display the attached AF Visual Aid within their work centers in high traffic areas.

3. For further information on the HPCON system or other Public Health related questions, you can review AFI 10-2915.
