

Hey Team Pete,

We know the last couple of weeks have been a challenge, and our challenges aren't over. In the midst of difficult circumstances, we want to offer encouragement. Thank you for all that you are doing to help prevent the spread of COVID-19. Thank you for making sure the mission keeps going, even when it seems like life has stopped.

We want you to know that we appreciate you, and we appreciate the outstanding work you are doing to accomplish our Space Superiority mission. Just as you remain committed to the mission and to one another, our chapel team remains committed to our mission of caring for Airmen more than anyone thinks possible.

You are our mission: whether you're working on Peterson, Cheyenne Mountain, our GSUs, or from home. We are with you, and want to offer you care and support during this stressful, anxious, frustrating time. If you or someone you know needs to talk, we are here to listen, to offer counsel and support.

You can talk with one of our chaplains, whether the conversation is religious or not (that's up to you). If you'd rather have a stripes-to-stripes conversation, our religious affairs airmen are available to support you as well. And no matter who you are or what we discuss, your conversation can be 100% confidential when you talk to one of our chapel teammates.

If you would like to speak with us, please contact us by phone, Monday-Friday 0730-1630 at (719)-556-4442 or outside of duty hours, call the Command Post at 719-556-4555 and ask for the on-call chaplain. You can contact us via email at [21sw.hc.wf@us.af.mil](mailto:21sw.hc.wf@us.af.mil) or direct message our Facebook Page (Peterson AFB Chapel). If you leave us a message or email, please let us know the best time and method to contact you.

For those interested in worship opportunities, we are offering Catholic mass and Protestant Christian worship services live on our Facebook page (Sunday 0900 for Catholic, 1100 for Protestant).

We hope you can enjoy some time with your family, but if you aren't or need to talk, please reach out to us. We care about you and your family members, and want to help you through difficult times like this.

We're here for you,

Your Peterson Chapel Team
